

Safety is our top priority, and sometimes that means a bit of a wait.
We appreciate your understanding and patience.

- Start by completing a consent form before you visit our nurse.
- Got an appointment? Awesome! Please check your name off on our list.
- If you're popping in without an appointment, no worries! Just check with our nurse to see if we can squeeze you in.
- Need proof of vaccine? Snap a pic of your filled-out consent form with your phone.
