

LabCorp Voucher Instructions

You do not have to schedule an appointment to visit a LabCorp facility but it is highly recommended so that you do not have to spend extra time at the lab.

Online appointment scheduling is available for all LabCorp sites. Same day appointments are available and can be made up to two hours prior to arrival.

To schedule an appointment, visit <https://www.labcorp.com>.

- Select 'Labs & Appointments'.
- Enter your ZIP code to search for the closest lab. Be sure to select '**Employee Wellness**' under the service tab. This will bring you to a list of LabCorp locations.
- Choose your preferred location and click '**Schedule an Appointment**'.
- In the Appointment Tool, select '**Employee Wellness with Body Measurement**' under 'Reason for Testing', then choose to 'Find first available' appointment OR select a specific date and time.
- Once you've selected your date and time you will need to enter your Contact Information and click 'Finish'.
*Important – If prompted for 'Payment Method' select 'Other'. There is no out of pocket cost for utilizing the LabCorp Program.
- Confirm your appointment information and click 'Confirm'.
- Bring your Confirmation Number with you to your appointment along with the Screening Voucher (page 2 of this document) and photo ID.

If you provided your email address you will receive a confirmation email containing your confirmation number.

You can cancel or reschedule your appointment online by visiting <https://www.labcorp.com>.

For the most accurate results, you should fast for at least nine hours prior to your screening. Non-fasting testing may cause your results to fall outside of the healthy value ranges. We suggest drinking extra water during the fasting period to stay well hydrated for the blood draw.

You can access your results online or request a copy of your results be mailed to you.
