

## 2022-2023 AECOM Flu Vaccination Pharmacy Voucher

AECOM has partnered with WebMD to provide flu shot vouchers for the 2022-2023 flu season.

This voucher can be redeemed one time between **September 1, 2022 and March 31, 2023**.

Print this form and enter your **Employee ID** and name on the pharmacy card below. If you are a spouse or domestic partner of an AECOM employee, please enter the employee's ID followed by an "s", e.g., 123456s. Present this letter at a participating pharmacy to receive your **FREE** flu shot (quadrivalent and preservative free). Present the pharmacy card below at a participating pharmacy to receive your **FREE** quadrivalent flu shot. Preservative free vaccine is subject to availability. Excludes Fluzone High-Dose Quad, Fludac Quad, and Flublok Quad.

When redeeming your voucher, the pharmacy may require that you provide personal identifiable information, including but not limited to your name and birth date. For participation and/or incentive purposes your name/unique ID may be shared with the sponsoring company indicating that you received a flu shot through the voucher program.

### Participating Pharmacies

TotalWellness is utilizing a national pharmacy network which includes all major chains as well as most independent pharmacies. Access the full pharmacy list and search for participating pharmacies by visiting <https://www.totalwellnesshealth.com/pharmacy-2/> or calling the TotalWellness Help Desk at 888-434-4358 x127.

### Prior to visiting your pharmacy

1. Verify flu vaccinations are being offered by your pharmacy this season.
2. Verify pharmacy hours and vaccine availability.
3. Fill in or be prepared to verbally provide any missing information on the pharmacy card below.

### Pharmacy Notes

- Enter the information exactly as it is presented on the card below. If the [ID Number] field is blank, create a participant ID by using the participant's initials and their date of birth (XXMMDDYYYY).
- TotalWellness is using the OptumRX network for claims processing.
- This voucher covers a standard quadrivalent flu shot - Afluria Quad, Fluarix Quad, Flulaval Quad, and/or Fluzone Quad. It does not cover Flucelvax, FluMist, Fluzone High-Dose Quad, Fludac Quad, or Flublok Quad.
- If you have questions, contact the TotalWellness Help Desk 888-434-4358 x127.
