

LabCorp Voucher Instructions

The attached lab voucher is valid through **10/31/2023**.

Scheduling an online appointment is available for all LabCorp locations. Same day appointments are available and can be made up to two hours prior to arrival. You must bring the LabCorp Screening Voucher (page 2 of this document) with you to your screening.

It is highly recommended to schedule an appointment to visit a LabCorp facility to avoid spending extra time at the lab.

To schedule an appointment, visit www.labcorp.com.

- Select **Labs & Appointments** under Patients & Individuals.
- Enter your ZIP code to search for the closest lab. This will bring you to a list of the nearest LabCorp locations. (Lab availability will vary by region)
- Choose your preferred location and click **Make Appointment**.
- Select **Employee Wellness with Body Measurement** under service.
- Appointments require individuals to be fasting. Select **Yes** when asked if you will be fasting. Fasting means no food or drink other than water. Please continue to take all medication, follow other guidance as provided by your physician, and drink plenty of water.
- Select **Choose Date and Time**.
- Enter required information.
- Select **My employer or another company is responsible for this visit**.
- Provide email address and phone number.
- Review your appointment information and click **Create Appointment**. A confirmation email will be sent to the email address provided.

Important – Bring the completed **Screening Voucher** with you to your appointment with your Confirmation Number and a Photo ID. The voucher is valid through **10/31/2023**.

If you would like your results to be mailed to your home address, it is required to request a mailed copy at the time of your appointment. Results will be available online within 10 business days at webmdhealth.com/kflivewell.
