The attached lab voucher is valid through **08/31/2027**

Important – Bring the completed voucher (page 2), your appointment Confirmation Number and a photo ID to your appointment.

Online appointment scheduling is available for all LabCorp locations. It is recommended to schedule an appointment to visit a LabCorp facility to avoid spending extra time at the lab.

To schedule an appointment, visit labcorp.com.

1. Click **"Find a Lab."**
2. In the pop up, enter your zip code and choose **"Employee Wellness with Body Measurement"** from the **"Select a service"** dropdown. This will bring you to a list of the nearest Labcorp locations. (Lab availability will vary by region)
3. Choose your preferred location and select a date and time that works for your schedule. Fasting is recommended but not required. Select "Yes" when asked if you will be fasting. Fasting means no food or drink other than water for 9 hours. Please continue to take all medication, follow other guidance as provided by your physician, and drink plenty of water.
4. **Patient Details:** Enter the required information.
5. **Contact Info:** Provide email address and phone number.
6. **Review & Confirm** your appointment details
7. **Billing:** Financial Details: Select **"I have prepaid or someone else is responsible."**

Fasting is recommended but not required. If you choose to fast, do so for 9 hours.

If you would like your results to be mailed to you, you must request a mailed copy at the time of your appointment. Results will be available online within 10 business days at webmdhealth.com/sponsors/Tennant.htm
